

## Corona-related specifications for the P-Campus Symposium 06./07.01.2022

- Only vaccinated and recovered persons can participate in the event on site. Please present the appropriate documentation at registration on the first day.
- If vaccination is not possible for medical reasons, please provide us with a medical statement and a negative PCR test for Corona on the first day of participation, not older than 24 hours.
- If you are experiencing cold-like symptoms, please either provide us with a negative test for Covid 19 disease from your doctor or cancel your on-site participation in the P-Campus Symposium. You have the option to participate online.
- Sign up for each day on the list of participants on display.
- Masks are mandatory throughout the building. Please cover your mouth and nose with a medical or FFP2 mask.
- Please keep a minimum distance of 1.50 m as well as possible.
- The mask can be removed at one's seat or at the speaker's desk if the minimum distances are observed.
- The mask can also be removed for eating and drinking as well as for a break in the open air.
- If you are standing together during the poster session, please wear your mask.
- Hand sanitizers are available in the entrance area and restrooms.
- Please notify us if you contract Covid-19 within 2 weeks after the event.
- Please note that if a participant becomes infected, we will forward your contact information to the health department for contact tracing.
